Clevedon Care Donations - March 2026

Donations for other visits to be based on 45p per mile (the mileage plus the additional 4 miles within Clevedon).

1 hour for visitors to hospitals.

Double journeys for day surgery and other extended treatment – double donation.

*Tickenham clarified August 2024

Tickenham pickup to a destination that requires the driver to come back into Clevedon to go on the motorway (Weston, M5 south, Southmead, Aztec West etc) it is £6 plus the normal destination charge.

Tickenham pickup to Bristol/Clifton or Nailsea then it would just be the normal journey charge as the driver would continue their journey from Tickenham without the need to come back to Clevedon.

*Walton Bay clarified August 2025

Walton Bay pickup to any destination other than Clevedon or Portishead is £6 plus the normal destination charge.

*Clevedon Local agreed at November 2025 management meeting - effective date to be confirmed

An enhanced local rate will be incurred to cover the cost of parking charges introduced by NSC which is due to come into effect end of 25/early 26. This will cover on street parking charges for Hill Road (Tudballs, Vision Express, Chiropractor) and The Triangle - Boots Opticians, Specsavers, Chiropractor in Marson Rd and Old Street (other destinations within that area to be added as and when)
