Answer Choices			Response Percent	Response Total
1	Open-Ended Question		100.00%	20
1	15/06/2023 14:34 PM ID: 220377072	Email contact details Postcodes		
2	17/06/2023 12:47 PM ID: 220506578	1) Improve the office system. At the moment drivers never know when they are going to be phoned. The whatsapp group is a good start. 2) Improve the drivers unavailability system. Quite often when I have told the office that I will be unavailable I then get a phone call asking me to jobs when I have said I am unavailable.		
3	20/06/2023 17:44 PM ID: 220754263	Postcodes		
4	20/06/2023 20:32 PM ID: 220766161	1) Improve the system so that drivers know when there is a lot of demand and can respond without waiting for a phone call. 2) Have some Blue Badges for drivers to use.		
5	28/09/2023 20:36 PM ID: 227741926	Parking can be a pain but hard to see what more can be done. I occasionally forget to ring the night before. Occasionally the client doesn't answer.		
6	02/10/2023 14:56 PM ID: 227921502	Have had opportunity over the years to improve the driver experience (and CC overall) being part of the management. presently have no comments to make.		
7	04/10/2023 10:21 AM ID: 228074026	I'd like more confidence in the back-up available in case of emergencies while on a Clevedon Care run A blue badge

10	08/10/2023 20:18 PM ID: 228382357	Nothing I can think of,
11	09/10/2023 12:17 PM ID: 228420168	Easier ways to park in some places, particularly Bristol city centre.
12	09/10/2023 15:49 PM ID: 228452439	Il refer to my answer to question 2 .
13	09/10/2023 21:43 PM ID: 228495980	It would be useful to be able to communicate with the office by text or email. I often miss calls and then get an engaged tone when I return the call.
14	10/10/2023 09:34 AM ID: 228517128	My sister is managing VASE Warwickshire takes clients to many different venue s Perhaps you would like to meet at there office one day Terry collins
15	10/10/2023 19:16 PM ID: 228616406	The DOs do a fantastic job in making the appointments but it seems quite clunky and long winded - it would be great if a system could allow: 1 - drivers to indicate which days they can work in a particular week and when they are on holiday 2 - Being emailed the job card rather than having the write it out 3 - having parking available at the hospitals for community drivers - some have this but on some occasions I have just had to drive around as there was no parking available. 
16	11/10/2023 14:40 PM ID: 228704163	We have a dedicated driver phone line but it's still not always being answered. Blue badges for hospitals where parking difficult, not just made available willy nilly. Rounding up of the local donation to £5
17	11/10/2023 15:43 PM ID: 228713222	See 5 below
18	16/10/2023 17:58 PM ID: 229082668	Definitely need better communication with drivers - The whatsapp group has been a great improvement. Upgrade the office system so that it is not all done by telephone. A better system for showing when drivers are not available - the current system is very patchy.
19	16/10/2023 20:04 PM ID: 229097283	Having more drivers in the team.so we don't feel bad about declining a job or taking a week off.
20	17/10/2023 15:57 PM ID: 229216155	I need to join the WhatsApp group
